1	Thank you to all the volunteers, coaches and PVYA leaders!	1/9/2019 4:04 PM
2	Not sure how it would be accomplished, but it would be in the best interest of the area youth for PVYA to assume oversight of the travel basketball programs. I believe PVYA did have oversight of the youth programs until several years ago until Iron Horse was created. Unfortunately, the Iron Horse model has been a failure and ensured control of the travel programs has remained in the hands of a few select people with little or no oversight. The impact has been greater on the girls side, as Brunswick is perennially the worst girls program in the region. It is preferable to have a model that involves more than a few select people who control finances and all decision-making. Ideally, PVYA would partner with the high school coaching staff in the selection of youth coaches, player development, and marketing of the program to local kids. Our kids deserve better than what they have been getting for the last several years and PVYA should fill that gap. Really appreciate all that PVYA has done in recent years for the community and the leadership it has shown in making Othello Park a reality.	1/8/2019 1:00 PM

8	Get the high school, programs involved in the feeder programs to many kids playing club soccer or travel basketball....can pvya create "all star" teams to compete and prepare for tougher competition? Or is this strictly a rec league for fun?	12/31/2018 10:59 AM
